

ANEES UR REHMAN

SOFTWARE ENGINEER

+92 3135983050 | aneesriaz7715@gmail.com | Sikanderpur, Haripur, KPK, Pakistan

DOB: 15-12-2002

OBJECTIVE:

Software Engineering graduate currently working as a Full Stack Developer Intern, with a strong interest in frontend development, basics knowledge of Python, and growing exposure to backend and AI fundamentals, seeking an opportunity to learn, contribute, and grow through real-world software projects.

WORK EXPERIENCE:

- Front End Developer Intern | Innova Corex** **Mar 2025 – Apr 2025**
Worked on frontend projects using **HTML, CSS, and JavaScript**, focusing on logics, responsive layouts and interactive user interfaces.
- Full Stack Developer Intern | Giga Developers** **Oct 2025 – Present**
Working as a Full Stack Intern, focusing mainly on frontend development with **React.js and Next.js**, while learning and assisting with basic backend tasks using **Node.js and MongoDB**.

EDUCATION:

- BS Education | Bachelor of Software Engineering** **Graduated: 2025**
University of Haripur | **CGPA 3.20**
- HSSC Education | Computer Science** **Completed: 2021**
Sir Syed Model School and College Haripur | **Marks 924/1100**
- SSC Education | Science** **Completed: 2019**
Government Centennial MHSS Haripur | **Marks 821/1100**

PROJECTS:

- OfficeSphere - Office Management and Workflow System**
Built a company management system with multiple panels (**Admin, Employee, Client, HR, Finance, Manager**) to streamline organizational workflows and operations.
- Scrapify - AI-Powered Data Extraction & Web Intelligence System**
Developed a smart web scraping tool that extracts data from dynamic websites, leveraging AI for content summarization and filtering.
- Detecting Cheating with computer vision: Real-Time Exam Hall Monitoring**
Built a real-time exam monitoring system using computer vision to identify potential cheating behaviors, with a **Streamlit-based UI** and model training on **Google Colab**.

CERTIFICATES:

- Career Essentials in Software Development Certificate | **Microsoft & LinkedIn** **Jul 2025**
- Frontend Development Internship Certificate | **Innova Corex** **Apr 2025**
- Artificial Intelligence Course Certificate | **NAV TTC (Government of Pakistan)**
